INTERIOR DESIGN PORTFOLIO

Selected Residential, Commercial, Hospitality,
Healthcare & Community Interiors

KANLEYWOOD HOMEPLANNERS LIMITED

Design • Visualize • Build

Nairobi, Kenya | Portfolio 2026

Kanleywood Homeplanners Limited is a Kenyan design and build studio creating refined interiors for residential, commercial, hospitality, healthcare and community spaces. Our work combines practical space planning, custom finishes, warm material palettes, furniture styling, visual presentation and buildable design thinking.

This portfolio presents selected interior design works and concepts prepared for different client needs: family homes, apartments, retail environments, hospitality venues, healthcare spaces and social-impact facilities.

Interior Design

Concept development, mood direction, space planning and finish selection.

3D Visualization

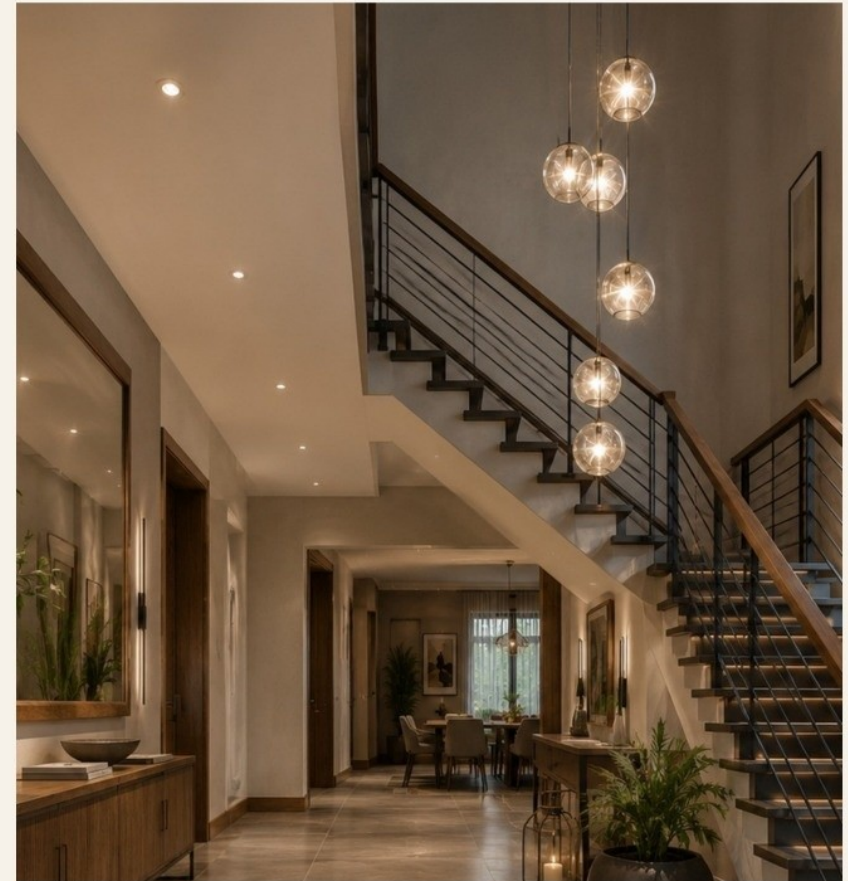

Photorealistic renders for client approval, marketing and presentations.

Fit-Out Planning

Built-in cabinetry, counters, lighting intent, finishes and functional layouts.

Furniture & Styling

Furniture layouts, soft furnishings, decor direction and procurement guidance.

Design Objective

Create beautiful, functional and buildable interiors tailored to the client.

From concept to client-ready presentation

01

Brief & Space Understanding

We begin by clarifying the client needs, usage, budget priorities, mood and site constraints.

02

Concept & Material Direction

We develop the design language through colours, finishes, feature walls, lighting and furniture mood.

03

Visualization & Client Review

Photorealistic renders are prepared to communicate the atmosphere before implementation.

04

Documentation & Fit-Out Guidance

Selected finishes, cabinetry intent, furniture layouts and practical details are organized for execution.

PROJECT	LOCATION	TYPE / FOCUS
Maple Project	Mtwapa	Residential apartment / coastal interior
Syokimau Project	Syokimau	Proposed 4-bedroom residential interior
Princeton Villas	Kitengela	Modern luxury residential interior
Ole Jomaki Cabin	Kinangop / Aberdare	Rustic cabin interior material direction
Chege's Pork Shop	North Airport Road, Utawala	Commercial retail / butcher shop
Kamau Bar & Carwash	Embakasi	Hospitality / entertainment / carwash concept
Pharmacy Project	Ruiru, Kiambu County	Healthcare retail / pharmacy interior
Widows Rescue Center	Ahero, Kenya	Community / institutional interior

Portfolio note: The selected works are presented as project case studies, design concepts and interior visualizations to demonstrate Kanleywood's design range and capability across different client sectors.

KANLEYWOOD
HOMEPLANNERS LIMITED

Maple Project

Mtwapa | Residential Interior

A warm coastal-inspired apartment interior combining soft neutrals, timber textures, woven/rattan pieces, tropical greenery, layered curtains and warm ambient lighting for a relaxed but refined home atmosphere.

Living lounge with timber feature wall

Dining, kitchen and lounge integration

Master bedroom concept

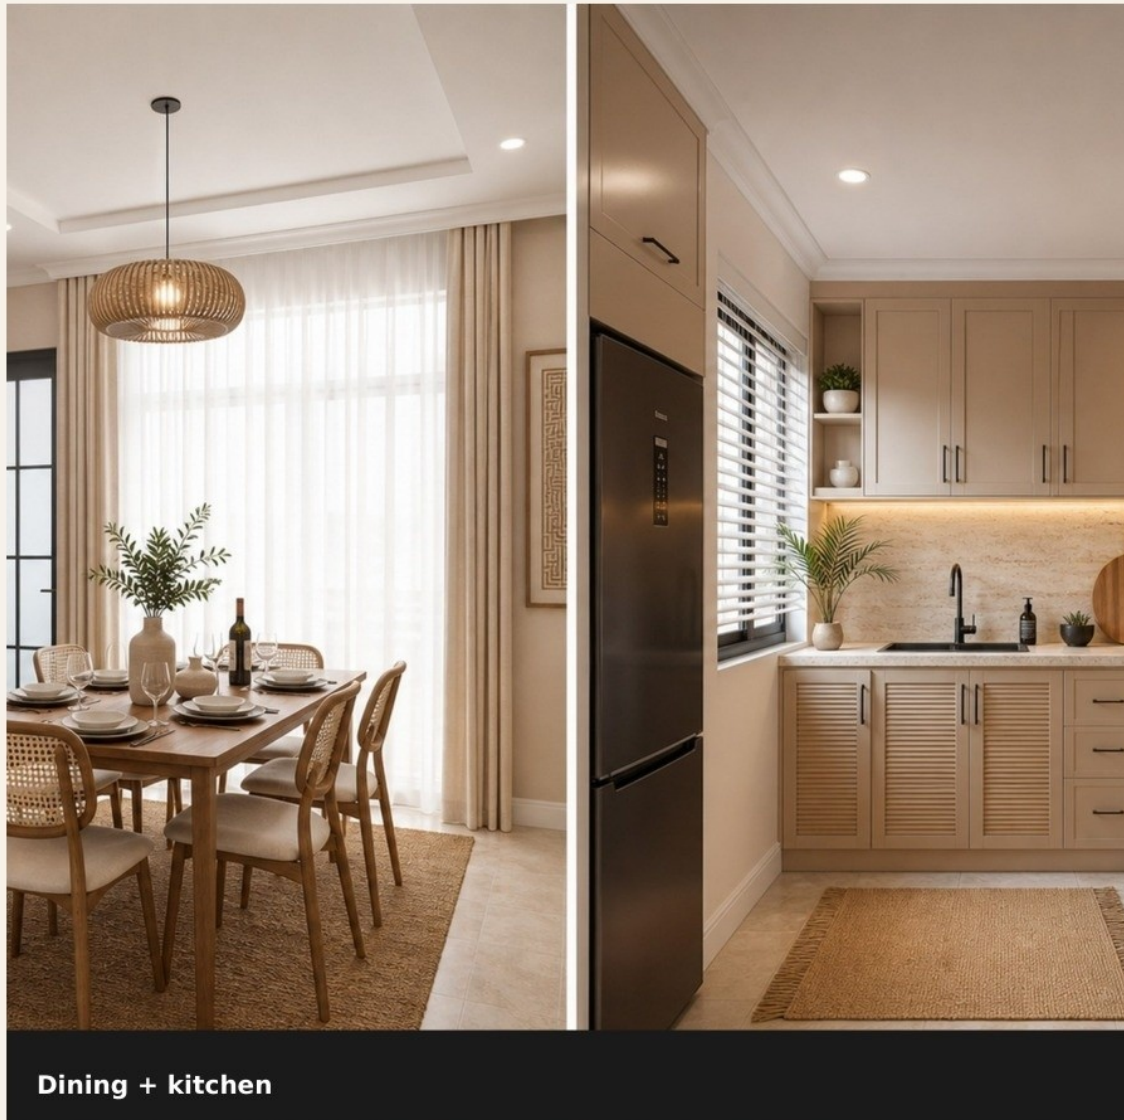

Guest bedroom concept

Headboard and wardrobe styling

Bedroom lighting and textiles

Dining + kitchen

Key design moves include warm stone-look finishes, wood cabinetry, rattan furniture accents, black-framed glazing, concealed strip lighting, and natural textures to create a calm coastal-Swahili residential identity.

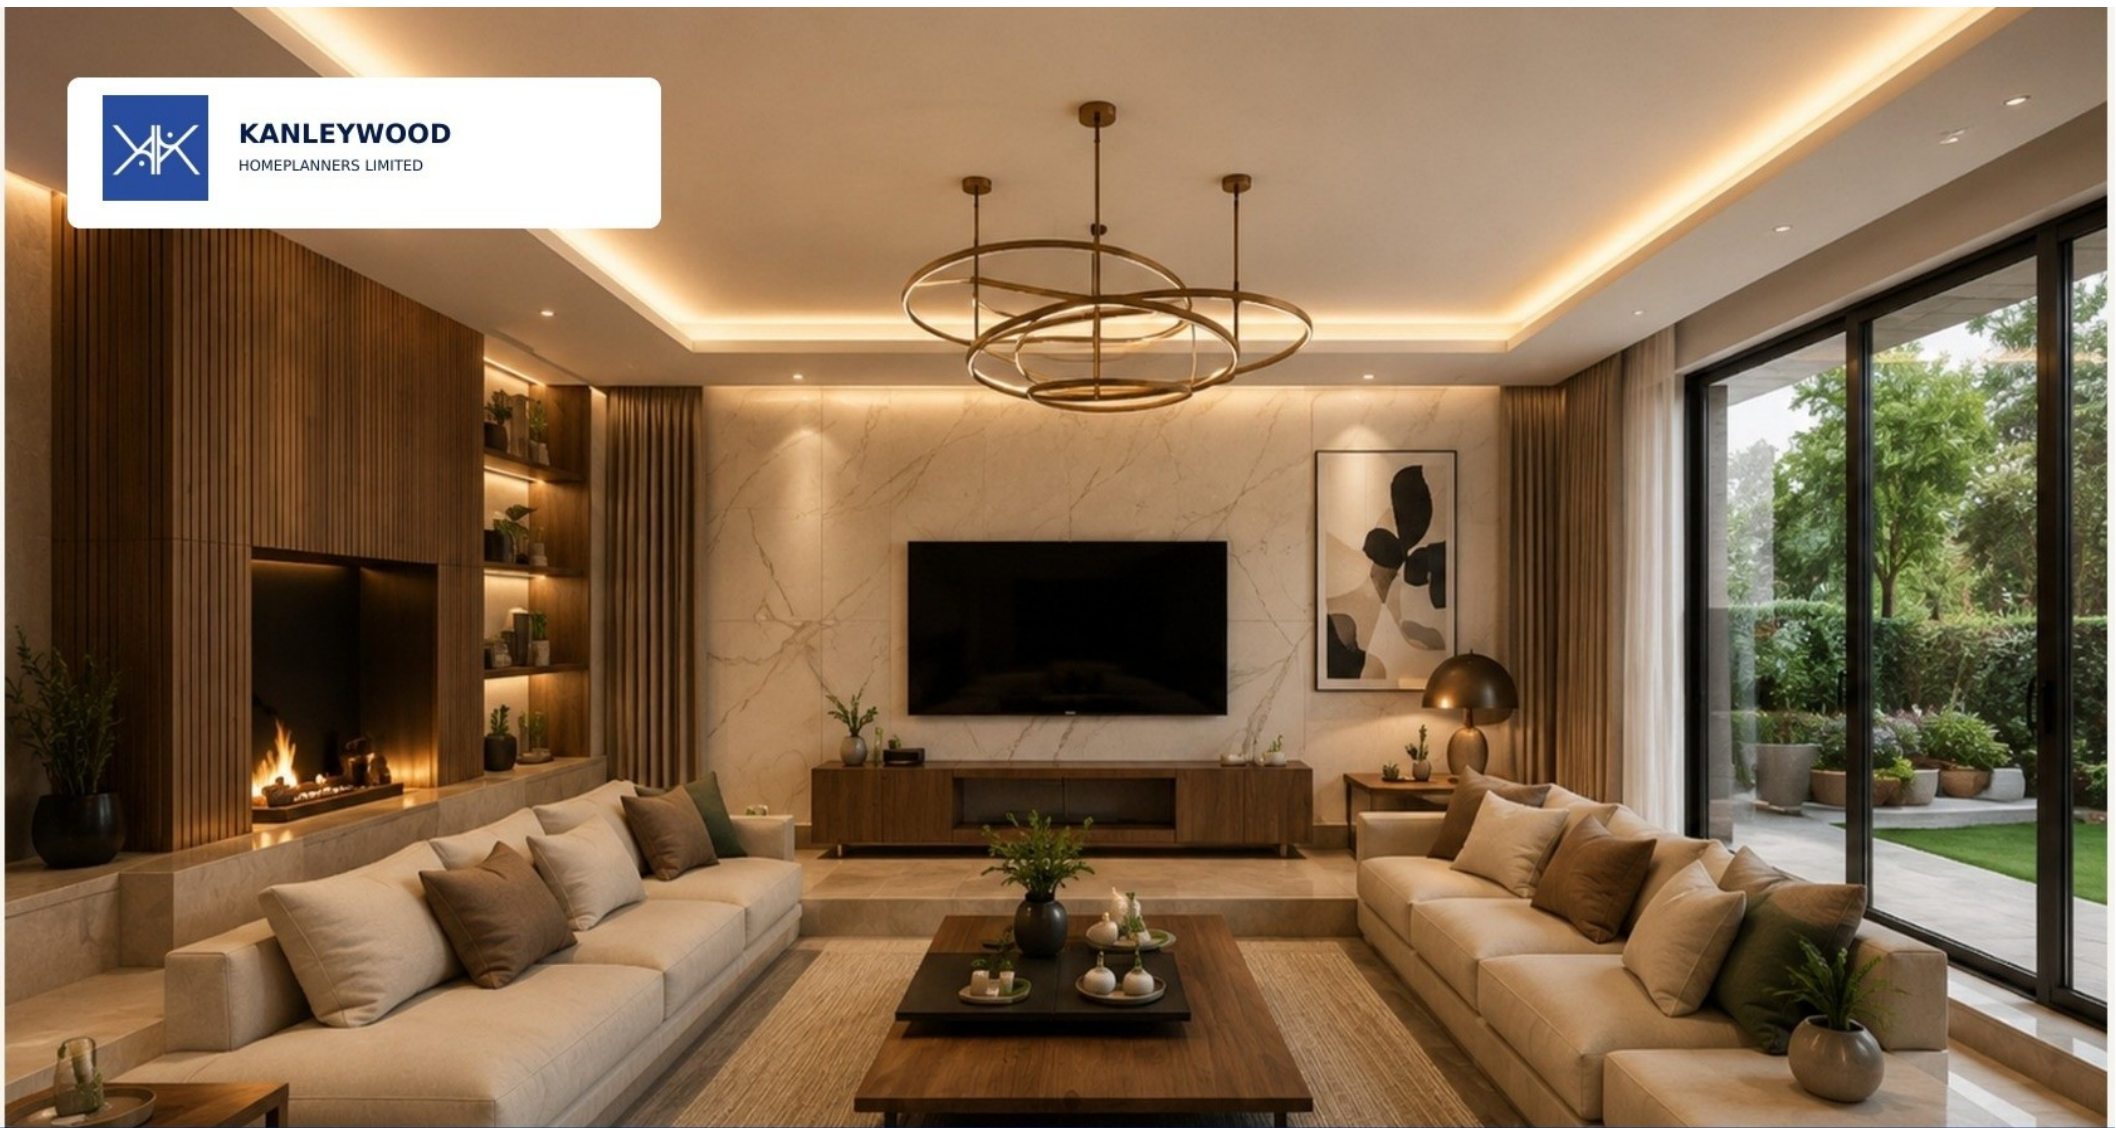

Open-plan social area

TV feature wall
